A donation of \$100 will entitle you to be recognized in the paper and at the Oktoberfest, a free quart of apple butter with your name on the label, and a year's membership to the Society. Best of all, your sponsorship will also entitle you to have a special label prepared for numerous jars of apple butter noting the name of the sponsor.

If you wish, you can organize a crew to participate in the preparation of apple butter. We will be happy to provide you with all the knowledge, assistance, and all needed ingredients and equipment.

Gardening at a Glance/Plein Air Paint Out

The first Gardening at a Glance event in Maeystown was held on Saturday, May 21st. It featured Paul and Karlene Feldker, Pearl Hirsch and others speaking and exhibiting gardening techniques and products. Vici Eader prepared an herbal luncheon using herbs donated by Stuckmeyer's Plants and Produce. The delicious lunch was enjoyed by all. Arnie Juelfs had a representative of Essential Oils do a presentation in the Village Kaffeehaus. John Rehling delighted visitors with a creek walk at various times throughout the day. Loretta and Joe Sickman invited visitors to their garden and yard. Attendance at the event was light, but

everyone attending enjoyed the day a great deal.

The fourth annual Plein Air Paint Out was held on Saturday, June 4th from 9a.m.-4p.m. The weather was not at all cooperative---it rained most of the day. However, the artists braved the elements and worked under porches, canopies and even out of their cars! Most of the artists enjoyed a lunch at Vici's Front Porch. Several artists were here for the first time and several were returning, but all seemed to really enjoy their day in beautiful Maeystown. The hollyhocks were even blooming for them! Their creations were exhibited at the mill at the end of the day.

These two events were sponsored by Historic Maeystown. Thank you to everyone who helped make them a success. Marcia Braswell
